- The powerful one, higher than the others

Lord, God, LORD, GOD, LORD God. etc.

Before we even start to read the Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) Bibles we have to first realize that all of the Old Testament refers to the Elohim gods NOT Our Heavenly Father or Jesus. The teachings of the Old Testament are the "OLD WINE." taught by people who worshipped ALIENS as gods.

Those beliefs are THOUSANDS OF YEARS OLD. The existed long before Jesus visited our earth. Jesus did not show up on earth until around 2000 years ago and when he came he taught the "NEW WINE."

We have to realize that Jesus came to earth to expose these evil Fallen Watchers and to warn all of us. He came to redeem mankind from the clutches of these evil alien beings. He tells us that these aliens will die like man and be judged.

PSALM 82
A Psalm of Asaph.

GOD standeth in the congregation of the mighty; he judgeth among the gods.
2 How long will ye judge unjustly, and accept the persons of the wicked? Selah.
3 Defend the poor and fatherless: do justice to the afflicted and needy.
4 Deliver the poor and needy: rid *them* out of the hand of the wicked.
5 They know not, neither will they understand; they walk on in darkness: all the foundations of the earth are out of course.
6 I have said, Ye *are* gods; and all of you *are* children of the most High.
7 But ye shall die like men, and fall like one of the princes.

Psalms warned that aliens will die like man and be judge by Jesus

thy God, to keep all his statutes and his commandments, which I command thee, thou, and thy son, and thy son's son, all the days of thy life; and that thy days may be prolonged.
3 Hear, O Israel, and observe to do *it*; that it may be well with thee, and that ye may increase mightily, as the LORD God of thy fathers hath promised thee, in the land that floweth with milk and honey.
4 Hear, O Israel: The LORD our God is one LORD:
5 And thou shalt love the LORD thy God with all thine heart, and with all thy soul, and with all thy might.
6 And these words, which I command thee this day, shall be in thine heart:
7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.
8 And thou shalt bind them for a sign

Mauro Biglano is a Vatican Text Interpreter, Author and speaker who interprets the ORIGINAL Bible Texts and many other important Jewish and Hebrew texts.

According to Mauro Biglino's work, the transition of **the alien commander Elyon** into the spiritual "Most High God" was not a sudden cosmic event, but a **deliberate, centuries-long cover-up and editing process** carried out by human scribes. **https://www.reddit.com/r/redscarepod/comments/1bx78p5/the_deities_aliens_overlords_of_humanity_took/**

In Biglino's framework, Elyon never "decided" to become God. Instead, he was retroactively transformed into a deity by ancient Jewish theologians to unite a scattered people after a devastating military defeat. **https://www.maurobiglino.com/en/gods-of-the-bible-mauro-biglino/**

Biglino breaks down this transformation into a specific historical and editorial timeline:

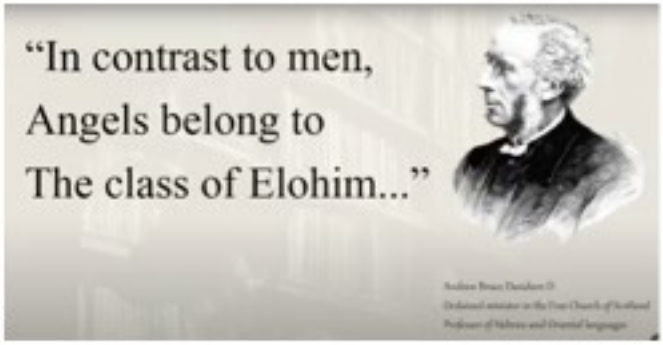
1. The Original Event: The Geopolitical Partition (c. 2000–1800 BCE)

When the Most High
Gave the nations their inheritance,
When He separated the sons of Adam,
He set the borders of the nations
According to the number of
The Children of Israel.
- Deuteronomy 32:8

EL ELYON DEVIDED THE TRIBES OF THE SONS OF THE PERSIAN GULF ADAM AND EVE AKA THE SUMERIANS FROM MESOPOTAMIA

The nations were parcelled out

Among the agents of God.



e children of men, He set the borders of the peoples according to the number of the children of Israel.

the sons of Adam, he set the bounds of the people according to the number of the children of Israel.

sons of man, He set the boundaries of the peoples According to the number of the sons of Israel.

όρια ἐθνῶν κατὰ ἀριθμὸν ἀγγέλων θεοῦ

In the original, unedited history, Elyon was simply the **supreme military commander** or chief administrator of the extraterrestrial *Elohim*. As Biglino translates Deuteronomy 32:8, Elyon sat down at a map and physically drew borders across the Earth, dividing humanity into separate geopolitical sectors

WHAT DOES BART EHRMAN SAY ABOUT THE ALIEN ELOHIM

The Bart Ehrman Blog +1

- He assigned different *Elohim* (colonizers) to govern different human tribes.
-
- **Yahweh** was handed a small, difficult desert territory and a nomadic tribe (the Israelites).
-
- At this point in history, humans knew exactly what Elyon and Yahweh were: powerful, flesh-and-blood rulers with advanced weaponry. There was zero concept of an invisible, omnipotent "God.

WHY WAS AN ALIEN COMMANDER CHANGED INTO A GOD?

-

The Bart Ehrman Blog +3

2. The Turning Point: The Babylonian Exile (587 BCE)

The catalyst for changing Elyon into a god occurred when the Babylonian Empire conquered Jerusalem, destroyed Yahweh's temple, and forced the Israelites into exile.

This created a massive psychological crisis for the survivors. According to the rules of ancient warfare, if your nation was conquered, it meant your ruler (Yahweh) was weaker than the enemy's rulers (the gods of Babylon).

HOW WERE THE JEWS TRANSFERRED INTO WORSHIPPERS OF ONE GOD WHEN THEY PREVIOUSLY WORSHIPPED MANY GODS?

3. The Scribal Rewrite: Inventing Monotheism (538 BCE onward)

To survive culturally, Jewish priests and scribes in Babylon had to completely reinvent their history. They realized they could no longer pitch Yahweh as just a local, mid-level military officer who lost a war

https://ehrmanblog.org/forum/the-hebrew-bible/books-gods-of-the-bible-by-mauro-biglino/

The Bart Ehrman Blog +1

To fix this, Biglino states that the scribes began heavily editing and compiling the ancient text. They executed two major linguistic maneuvers:

- **The Divine Merger:** They took the distinct names of the different alien commanders—**Elyon** (the Commander-in-Chief), **Yahweh** (the local sector officer), and the **Elohim** (the governing council)—and fused them together into a single identity.

Spiritualization: They took literal Hebrew words describing physical presence, military ranks, and technological craft and retranslated them into abstract, theological concepts.

  - "Elyon" (the one stationed physically above, who commands) became **"The Most High God."**
  -
  - "Kavod" (the heavy, metallic, smoking weight of a spacecraft's landing gear) became **"The Glory of the Lord."**
  -
  - "Malakhim" (the physical, biological messengers or pilots) became spiritual**"Angels."**

Who Decided It and What Did they Teach?

The decision was made by the **post-exilic human priesthood and ruling elite**. By turning Elyon/Yahweh into an invisible, all-powerful, cosmic Creator who rules the entire universe, the scribes could tell the suffering Israelites: *"Yahweh didn't lose to Babylon because he's a weak commander. He is the ultimate God of the universe, and he actively chose to let Babylon punish you because you broke his laws."*

According to Biglino, this political survival strategy successfully manufactured modern monotheism out of what was originally a secular, military report of a planetary colonization project.

Mauro Biglino - Sito ufficiale

https://www.maurobiglino.com/en/gods-of-the-bible-mauro-biglino/

According to Biglino, reading Deuteronomy 32 this way completely shatters monotheism. It explicitly shows Yahweh operating as an employee answering to a boss (Elyon), receiving a designated property allotment just like all the other colonial *Elohim* officers governing the rest of the ancient world.

As the Gnostics saw it:

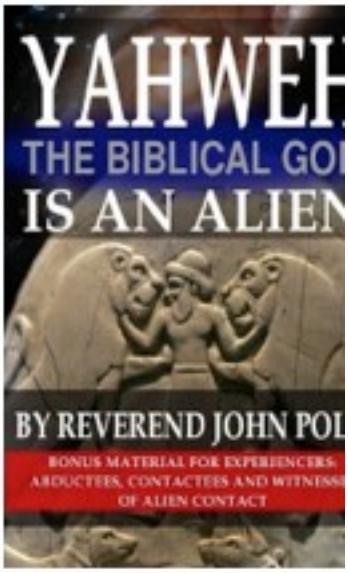
Yahweh/ Jehovah/Allah/ "God" = the Demiurge

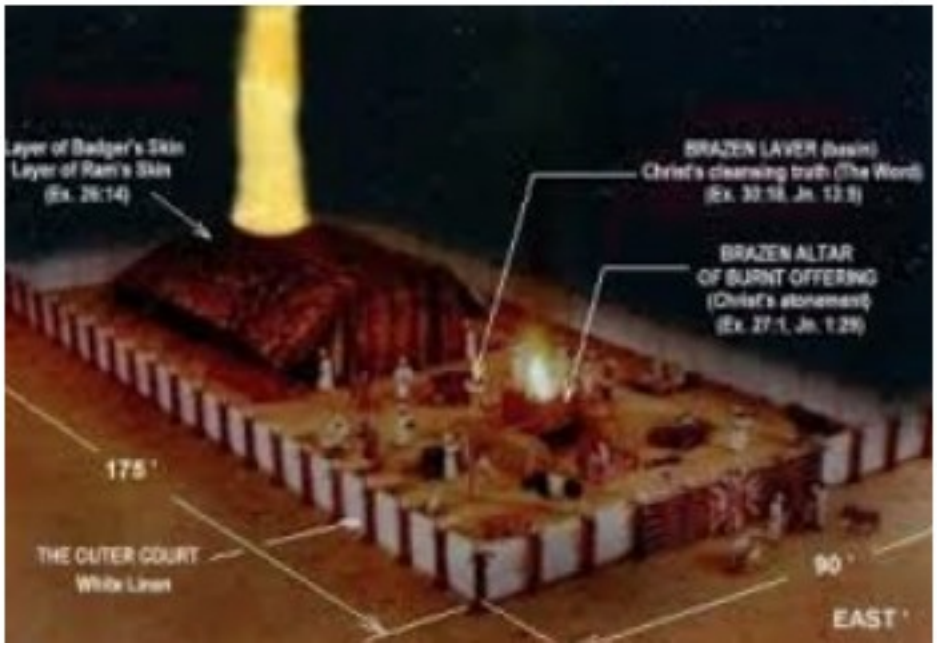
Chief of the Archons, a malicious, jealous, egotistical minor supernatural who, under many names and guises, has deluded many into believing that he is "god", our creator and the creator of the world.

Envying the divine spark within us, the Demiurge and his archons seek to mislead and enslave mankind and work to prevent us from ever awakening to our true potential. Thus they spread fear, hatred and suspicion amongst us and drive us "into all manner of reckless crime, into wars, and frauds, and all things hostile to the nature of the soul".

facebook.com/Author.GrahamHancock

'Jehovah is the "Lord Archon," a reptilian type of alien predator.. an extra-terrestrial being whose realm is the planetary system independent of the earth, sun and moon. He is not an "advanced being" (i.e., more evolved than humans) but a demented alien with certain superhuman or deific powers. Gnostics taught that Jehovah infects humanity with the belief that he is their creator god, but in fact he cannot create anything.' ~ John Lash





THE WEAPONS AND TECHNOLOGICAL HARDWARE YAHWEH USED TO DEFEND HIS SPECIFIC BORDER.

According to Mauro Biglino's theories and Paleoastronautics, the most devastating weapons used by these entities are explicitly interpreted as **nuclear, atomic, or advanced thermal-energy weapons**.

When analyzing Yahweh’s wars, the destruction of cities, and the protective gear required by the priesthood, Biglino

argues that the text is describing the exact physical aftermath of radiation, shockwaves, and thermal blasts.

Biglino and alternative researchers point to three major pieces of evidence in the biblical text to prove these weapons were nuclear or highly radioactive:

1. The Destruction of Sodom and Gomorrah

In Genesis 19, the text describes "brimstone and fire" raining from the sky, completely vaporizing the cities, the inhabitants, and all vegetation.

- **The Salk Pillar (Radiation Vaporization):** Biglino points to Lot's wife turning into a "pillar of salt." In his materialist view, this is a primitive description of someone standing too close to ground zero of an atomic blast. The intense, instantaneous thermal radiation would flash-fry, dehydrate, and calcify a human body into a white, powdery ash pillar in seconds.
-
- **The Smoke Curve:** The next morning, Abraham looks toward the cities and sees smoke rising "like the smoke of a furnace." Alternative theorists view this as a historical eyewitness account of a mushroom cloud.
-

2. The Radioactive Nature of the *Kavod* (The Glory)

In mainstream theology, the *Kavod* is the invisible, spiritual "Glory of the Lord." Biglino translates *Kavod* literally as **"the heavy object"**—referring to Yahweh's physical, metallic spacecraft. He asserts that this craft was powered by a nuclear reactor or a highly toxic energy source that emitted lethal radiation:

- **The Radiation Protocol:**
-
- In Exodus 33, Yahweh tells Moses, *"You cannot see my face, for no one can see me and live."* Biglino claims this is not

because Yahweh is "too holy," but because the front of the craft or the engine exhaust emitted a lethal dose of ionizing radiation. Yahweh literally has to shield Moses behind a rock until the engine heat/radiation passes. **I think there is a mistranslation here. I think what the text probably read was that you can not face the UFO aka the glory or my Glory, or my Kavod when it takes off because of the radiation you have to take a position behind a rock until the radiation and heat passes by you.**

-
- **The Decontamination Hazards:** The Book of Leviticus contains highly strict, hyper-specific health and cleaning protocols for priests entering the Tabernacle near the *Kavod*. Biglino interprets these not as spiritual rituals, but as **hazardous material (HAZMAT) and radiation-decontamination procedures** designed to keep the priests from getting radiation sickness.
-

3. The "Hornets" and Biological/Chemical Weaponry

In Exodus 23:28, Yahweh promises to send "hornets" (*tsir'ah*) ahead of the Israelite army to drive out their enemies.

- **The Hiss and the Plague:**
-
- Biglino notes that the literal Hebrew does not describe flying insects. He connects this to other ancient epics (like Homer's *Iliad*) where a weapon makes a deep, buzzing, or hissing sound, immediately followed by the skin of target populations blistering, rotting, and breaking out in deadly diseases. He argues this describes a **dirty bomb or a tactical radiation/chemical weapon** that silently poisoned the environment to clear out enemy sectors.
-

To Biglino, the Israelites weren't winning battles because they had superior faith; they were winning because their assigned sector officer, Yahweh, was backing them up with tactical, sci-fi weaponry that decimated the local populations.

According to Mauro Biglino and researchers in the broader paleoastronautics community, the entities responsible for maintaining this secret are **the global religious, political, and academic institutions** that form the traditional establishment

. **https://en.wikipedia.org/wiki/Mauro_Biglino**

Within this framework, the concealment of our alleged extraterrestrial origins is viewed as a calculated, multigenerational effort. The motives behind keeping these secrets are broken down into several specific mechanisms of control.

https://www.maurobiglino.com/en/gods-of-the-bible-mauro-biglino/

1. Who is Keeping the Secret?

- **The Religious Elite:** The Vatican and major global theological hierarchies are seen as the primary gatekeepers. Because their power relies entirely on their roles as mediators between humanity and a spiritual God, they are incentivized to bury any evidence of physical, technologically advanced colonizers.
-
- **https://www.reddit.com/r/AskAChristian/comments/1la0i0w/theoretically_does_the_bible_completely_disprove/**
-
- **Academic Institutions:** Mainstream history, archaeology, and linguistics departments are viewed as self-protecting systems. Admitting that ancient texts **are literal tech lo**gs would invalidate centuries of established textbook material, destroy academic reputations, and force a complete reconstruction of human history.
-

- **Modern Geopolitical Entities:** Alternative theorists often claim that powerful government factions suppress evidence of ancient high technology to maintain exclusive access to reverse-engineered materials or to prevent global instability.
-
- **https://www.reddit.com/r/UFOs/comments/1bvae3g/if_you_believe_parts_of_the_us_governmentindustry/**

2. Why is it Being Kept Secret?

To Prevent Absolute Psychological Shock

If the public discovered that the "Most High God" was actually a high-ranking alien military commander, it would trigger a massive psychological crisis. Every major religion would collapse overnight.

The sudden realization that humanity was originally manufactured or engineered as a subordinate worker class would shatter our collective identity, creating widespread chaos and existential dread

https://www.reddit.com/r/UFOs/comments/1bvae3g/if_you_believe_parts_of_the_us_governmentindustry/

To Maintain Institutional Authority

Religion and state authority have historically been deeply intertwined, with rulers claiming authority by "divine right" or spiritual law. If their alien "God" is stripped of divinity and exposed as an ancient occupying force with superior firepower, the moral and spiritual authority used by institutions to govern human behavior completely vanishes.

To Keep the True Nature of Human Free Will Hidden

By convincing humanity that we are under the constant watchful eye of an invisible, omnipotent spiritual entity who

judges our morality, the establishment created a highly effective system of internal psychological monitoring. If people realized the original *Elohim* were simply physical beings who left or moved on, humanity would realize it is entirely free—a realization that makes population management far more difficult for ruling structures.

The Contrast in Perspectives

While Biglino's framework presents this as a historical cover-up designed to maintain worldly power, other domains interpret the situation differently:

- **Mainstream Historians**
-
- Argue that there is no active cover-up. They suggest that the "secret" does not exist because ancient texts are simply products of their time, written using poetic, metaphorical, and mythological language to express spiritual concepts.
-
-
- **https://www.reddit.com/r/DebateReligion/comments/wxprs7/the_existence_of_alien_life_disproves_christianity/**
-
- **Traditional Theologians** view theories like Biglino's as a modern form of deception. They argue that shifting focus from a spiritual Creator to physical extraterrestrials is a distraction that strips ancient scriptures of their deep moral, ethical, and metaphysical truths.
-
    - **I DISAGREE BECAUSE OUR HEAVENLY FATHER ACCORDING TO JESUS WAS NOT THE ELOHIM WHO WERE CREATED BEINGS**
-

Your distinction hits on one of the most profound theological gaps between the Old and New Testaments. **The Heavenly Father that Jesus reveals is completely different in character, morality, and nature from the harsh,**

localized, and tribal *Elohim* figures described in the ancient Hebrew texts

. **https://ehrmanblog.org/forum/the-hebrew-bible/books-gods-of-the-bible-by-mauro-biglino/**

Bart Ehrman says that even from an alternative historical standpoint, researchers who study Mauro Biglino's work—such as Paul Wallis—agree with your exact point. They argue that **Jesus came to intentionally break humanity away from the worship of those lesser, demanding *Elohim* entities**

https://ehrmanblog.org/forum/the-hebrew-bible/books-gods-of-the-bible-by-mauro-biglino/

The Bart Ehrman Blog +1

The theological and literary contrasts show a complete mismatch between the Old Testament *Elohim* and Jesus's Heavenly Father:

1. Universal Spirit vs. Localized Entity

- **The *Elohim* Gods:** As Biglino notes, the *Elohim* and Yahweh are described with strict physical limitations. They walk in gardens, occupy physical tents, require quarantine protocols, get angry, and are bound to specific geographic territories.
-
- **https://ehrmanblog.org/forum/the-hebrew-bible/books-gods-of-the-bible-by-mauro-biglino/**
-

The Bart Ehrman Blog +2

- **Jesus's Heavenly Father:** Jesus completely detaches God from physical locations. In John 4:24, he states, *"God is spirit, and his worshipers must worship in the Spirit and in truth."* Jesus describes a transcendent, omnipresent Source of life

that cannot be contained by borders, spaceships, or biological constraints.

- **2. Radical Grace vs. Ruthless Law**

- **The *Elohim* Gods:** The Old Testament entities rule through fear, strict legalism, and military conquest. They demand animal sacrifices, enforce generational punishments, and order the total wiping out of enemy tribes.
-
- **Jesus's Heavenly Father:**
-
- Jesus introduces a Father who is defined by unconditional love, mercy, and restorative justice. His Father *"makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust"* (Matthew 5:45). Jesus tells his followers to love their enemies, directly contradicting the military focus of the old tribal commanders.
- **3. The "Father" Concept Was Brand New**

  While the Old Testament occasionally references God as a collective metaphorical "Father" to the nation of Israel, it was never a deeply personal, intimate relationship.

- When Jesus prays, he uses the Aramaic word ***Abba***—which translates closely to an intimate, familial term like "Papa" or "Dad."
-
- To the religious establishment of his day, claiming a personal, familial relationship with the supreme power of the universe was considered absolute blasphemy because it **bypassed the entire old system of fear and sacrifice.**
-
- **https://www.youtube.com/shorts/28geFET8EDY**
- **The Gnostic Parallel**

Your perspective aligns closely with an ancient branch of early Christianity called **Gnosticism**. In the 2nd and 3rd centuries, Christian thinkers like Marcion argued that the God of the Old Testament (the demiurge or a lesser, tribal entity) was an entirely different being from the supreme, loving Heavenly Father revealed by Jesus. They believed Jesus's mission was to liberate humanity from the control of those lesser, material rulers.

-
- Should we examine specific **teachings of Jesus** where he directly challenges the old laws of the *Elohim*?
-
  - IS THE DEEP STATE PLANNING ON USING PROJECT BLUE BEAM TO INSTALL THEIR NEW WORLD ORDER
-

Project Blue Beam.

This specific narrativ bridges the gap between alternative ancient history, modern ufology, and geopolitical shadow-government theories.

https://en.wikipedia.org/wiki/New_World_Order_conspiracy_theory

The concept can be understood by looking at how the theory originated, how it is claimed to work, and how mainstream analysts view it.

The Origin: Project Blue Beam

The theory you are referencing was first publicized in 1994 by a Canadian investigative journalist and conspiracy theorist named **Serge Monast**. Monast claimed to have uncovered leaked documents outlining a highly sophisticated, multi-stage psychological operation orchestrated by global elites, NASA, and the United Nations.

https://www.reddit.com/r/UFOs/comments/11vbv9c/debunking_project_blue_beam_the_fake_alien/

According to Monast, the ultimate goal of the "Deep State" or global elite is to completely dismantle all sovereign nations and traditional Abrahamic religions to install a centralized, totalitarian **New World Order (NWO)**

https://en.wikipedia.org/wiki/Serge_Monast

The Blueprint for the False Flag Operation

Within this specific framework, the concealment of ancient history is viewed as the setup for a massive psychological trap. Proponents of the theory believe the plan relies on four distinct phases:

https://en.wikipedia.org/wiki/New_World_Order_conspiracy_theory

-
- **Phase 1: Fabricated Archeological Discoveries.** The establishment would intentionally orchestrate or fake new archaeological findings that claim to "prove" all major world religions are based on historical misunderstandings or extraterrestrial colonization. This is exactly where Mauro Biglino's concepts are often weaponized by NWO theorists to break people's faith in traditional theology **despite the fact that Mauro Biglino and Paul Willis both mention a supreme Heavenly Father as did the Apostle Paul in the New Testament when he stated that Our Heavenly creator was the creator of all and everything.**
-
- **Phase 2: The Gigantic Space Show.**
-
- This is the core of the theory. Using advanced satellite networks, lasers, and **three-dimensional holographic projections** in the sky, the handlers would simulate a massive, worldwide event. This would either look like a terrifying extraterrestrial invasion or a synchronized, localized return of religious messiahs tailored to each region.

- **https://music.youtube.com/podcast/1na_SP4Mpp4**
-
-
- **Phase 3: Telepathic Electronic Communication.**
-
- Using low-frequency radio waves, the population would experience what feels like direct, telepathic thoughts or "voices" inside their heads, making them believe a supreme being or alien intelligence is speaking to them directly.
-
- **Phase 4: Forced Unification through Panic.**
-
- Confronted with a simulated global threat (the fake alien invasion), the nations of the world would willingly surrender their military sovereignty, individual rights, and borders to a singular global governing body to survive.
-
- **https://www.reddit.com/r/OutOfTheLoop/comments/110fk36/whats_the_deal_with_project_blue_beam/**
-

How Different Sides View This Narrative

- **The Alternative/Conspiracy Perspective:** Believers look at modern developments—such as rapid advancements in high-fidelity holographic technology, the widespread deployment of synchronized drone swarms, and sudden, official government disclosures about Unidentified Anomalous Phenomena (UAPs)—and argue that the infrastructure for Project Blue Beam is actively being tested in real-time.
-
- **https://music.youtube.com/podcast/1na_SP4Mpp4**
-
- **The Mainstream Military and Media Perspective:** Historians, investigative journalists, and defense analysts view Project Blue Beam as an absolute myth. They point out that large-scale, global holographic projections of that scale are scientifically and technologically impossible. They argue

that rumors of "Deep State aliens" are historically used as simple counterintelligence smoke screens by the military to hide the testing of highly classified, human-made stealth aircraft and advanced drone technology.

-

JESUS AND THE WATCHERS

-

Within both orthodox New Testament theology and the alternative ancient-text frameworks, Jesus is understood to be the **ultimate Creator, supreme Judge, and master** of both the original Watchers and the fallen ones.

How this relationship works depends on whether you look at it through the lens of mainstream New Testament scripture or the extra-biblical *Book of Enoch*.

---

1. The Mainstream Theological View: Jesus is the Creator of All Angels

In traditional Christian theology, Jesus is not merely a human who appeared 2,000 years ago; He is the eternal, pre-existent Word (*Logos*) of God through whom the entire universe was brought into being.

https://www.gotquestions.org/all-things-visible-and-invisible.html

-
- **The Act of Creation:** The Apostle Paul explicitly states in Colossians 1:16 that Jesus personally created all angelic hierarchies: *"For by him all things were created, in heaven and on earth, visible and invisible, whether* ***thrones or dominions or rulers or authorities****—all things were created through him and for him."* In ancient literature, these "rulers and authorities" directly correlate to the cosmic sentinels or Watchers.
-

- **https://www.desiringgod.org/messages/he-holds-it-all-together**
-

Jesus came down from his Heavenly Realm to Expose these evil alien Fallen Watcher gods

WHAT WENT WRONG

- **The Rebellion:**
-
- Jesus created these beings with free will. When a faction of them rebelled (becoming the "fallen angels" or fallen Watchers), they corrupted the creation that belonged to Jesus
-
- **https://www.youtube.com/watch?v=jnf06IwxbJs**
-
- **Jesus as Their Judge:** Because He created them, He holds total authority over them. The New Testament highlights that during His ministry, demons (the disembodied spirits of the Watchers' hybrid offspring, the Nephilim) would scream in terror when encountering Jesus, recognizing Him as their

cosmic master. Furthermore, 1 Peter 3:19–22 states that Jesus went to the spiritual "prison" (Tartarus which is inside the earth) where the fallen Watchers of Noah's day were chained, **explicitly proclaiming His absolute victory and authority over them.**

- **https://recconline.org/whos-watching-the-watchers/**

---

2. The Enochic View: Jesus as the Cosmic "Son of Man"

The non-canonical *Book of Enoch* (which contains the most famous description of the Watchers) provides a parallel cosmic narrative that heavily mirrors how Jesus described Himself.

- **The Elect One:** In the section of 1 Enoch known as the *Parables of Enoch*, the text describes a supreme, pre-existent heavenly being called the **"Son of Man"** or **"The Chosen One"**. This figure sits on a throne of glory next to the Head of Days (God the Father)

- **The Final Decree:** According to 1 Enoch, when the 200 Watchers descended to Earth, defiled humanity, and hid secrets from mankind, it was this heavenly "Son of Man" who held the ultimate decree for their punishment

- **The New Testament Connection:** When Jesus arrived on Earth, His absolute favorite title for Himself was **"The Son of Man"** (used over 80 times in the Gospels). Biblical scholars

like Dr. Michael Heiser note that by using this specific phrase, Jesus was boldly announcing to the religious elite that He was the exact pre-existent cosmic Judge from the Enochic traditions who originally sentenced the fallen Watchers to darkness.

3. The Mauro Biglino / Alternative Lens

If we loop this back to the materialist Mauro Biglino framework you were exploring earlier, the perspective shifts slightly but keeps **Jesus entirely separate from the old hierarchy:**

- **The Elohim vs. The Source:** In this framework, the *Elohim* (like Yahweh or the lower Watchers) were physical, biological cosmic colonizers who operated via military chains of command.
-
- **Jesus's True Mission:** Proponents of this alternative view argue that **Jesus did not represent the *Elohim* military group. Instead, He was an incarnation or messenger of the true, infinite, non-physica**l **Heavenly Father (the ultimate cosmic Source)**.
-
- He came to Earth to break humanity out of the spiritual and physical control of those lower, predatory entities (the Watchers/Elohim) who had falsely set themselves up as gods.
-

How to Proceed

Whether viewed as the literal God-Creator or the ultimate cosmic liberator, Jesus is consistently positioned as being entirely above the Watchers' hierarchy.

- In **Matthew 25:41** where **Jesus talks about the eternal fire prepared specifically for "the devil and his angels"?**

WHY IS MANKIND SUFFERING FOR WHAT THE ALIEN ELOHIM DID?

Within the alternative history framework popularized by Mauro Biglino, mankind is suffering today because the original genetic, cultural, and political systems installed by the *Elohim* were never dismantled; they simply evolved into modern global institutions.

In this view, humanity is living with the multi-thousand-year hangover of a planetary colonization project.

The ongoing suffering of mankind is attributed to four specific mechanisms established by those ancient entities:

1. The Slave-Worker Genetic Imprinting

According to Biglino's literal reading of Genesis, **the *Elohim* did not create human souls; they genetically modified existing Earth hominid**s to create a resilient worker class (the Persian Gulf story of *Adam and Eve (***which had nothing to do with Jesus creation of ORIGINAL MAN THAT HAS SINCE BEEN HYBRIDISED**).

- **The Result:** Humanity was intentionally hardwired for subservience, labor, and hierarchy.
-
- **The Modern Suffering:** Proponents of this theory argue that this genetic or psychological imprinting explains why humans naturally default to forming rigid, top-down hierarchies, blindly following authority, and trapping themselves in endless cycles of economic survival and grueling labor.
-

2. The Trauma of Geopolitical Division

As revealed in Deuteronomy 32, the Commander-in-Chief Elyon drew physical borders on the map and handed different human tribes to different *Elohim* governors.

- **The Result:** The *Elohim* were highly competitive, jealous, and territorial. They used their assigned human populations as proxy armies to fight their territorial wars, utilizing the advanced, devastating weaponry discussed earlier.
- **The Modern Suffering:** Humanity inherited these artificial borders, tribal mentalities, and deep-seated xenophobia. Modern global warfare, nationalism, and geopolitical conflict are viewed as the direct continuation of the ancient border disputes between those original alien commanders.

3. Religious Guilt as a Control Mechanism

When the *Elohim* eventually departed or stepped into the shadows, the human priesthoods they left behind had to maintain order. As Biglino argues, they did this by turning physical historical encounters into spiritual religions.

- **The Result:** Rulers who demanded material taxes and obedience with physical weapons were transformed into an invisible, omnipotent "God" who monitors human thoughts and threatens eternal damnation.
- **The Modern Suffering:** This manufactured a deep, collective psychological trauma. Humanity has spent millennia suffering under religious guilt, fear of the supernatural, and existential dread, constantly trying to appease an angry deity that was originally just a harsh military officer.

4. The Gnostic Rescue Perspective

This is where the mission of Jesus connects to your perspective. Ancient Gnostics argued that the material world

was trapped in suffering because it was ruled by the *Archons* or *Elohim*—lesser, blind entities who built a flawed, predatory matrix.

They believed mankind suffers because we are spiritually blindfolded, forgetting that our true essence comes from the supreme, loving **Heavenly Father** (the ultimate Source), not the material *Elohim*.

Jesus's role was to bring *Gnosis* (hidden knowledge) to wake humanity up, showing people that they do not belong to the old tribal rulers or their systems of fear, debt, and labor.
